

Be Different, Be YOU

Creating Your Powerful Self: The Breakthrough of YOU!

This one day workshop will change the way you see and live your life. Give yourself permission to embrace a day that's ALL FOR YOU and all about you!

Join coach Patrick Rhein, co-author of *Be Different, Be YOU!*, for a day of inspiration, self-discovery and enlightenment so you can create the life of your dreams and actually believe they will come true.

Through a cocktail of unique experiential exercises, this jam-packed, full day workshop will have you:

- Complete a values-discovery exercise in order for you to have a compass for your life's decisions,
- Understand where you are at so you can better design a road map to the real YOU,
- Go from your head to your heart by using all your senses and discovering your "pleasure-meter",
- Clearly visualize the life that you want, despite the obstacles that seem too big and fearful to overcome.

Completing this workshop will leave you feeling...

- Equipped with new tools for overcoming your fears and living your full potential
- At a high personal vibration so you can attract the life you have designed
- More confident and secure in your own skin
- A strong belief that you WILL achieve extraordinary results in all areas of your life
